

PROGRAMS THAT CAN HELP YOU PAY YOUR BILL

Low Income Home Energy Assistance Program (LIHEAP)* *Applications now available – until June 30, 2022.*

LIHEAP helps income-eligible households with an average of \$300 towards their winter heating bills. To qualify, you must meet the income requirements below; you do not have to be behind in paying your PSE&G bill.

LIHEAP households may also be eligible for the **Universal Service Fund (USF)***. USF and Fresh Start program both help to make energy bills more affordable by lowering the amount you have to pay for natural gas and electricity and providing forgiveness of past due energy bill balances. To learn more about these programs, go to pseg.com/helpnow.

To find a state-designated LIHEAP/USF agency in your county, call 1-800-510-3102 (7 days a week, 9 am - 9 pm), or visit pseg.com/help.
To apply online for LIHEAP/USF, visit energyassistance.nj.gov
