Anyone can have a financial crisis. Unemployment, medical bills, or unexpected expenses can put a family behind in paying their energy bills. For moderate income households who are not eligible for low income programs, New Jersey SHARES is there to help.

Donate to New Jersey SHARES, a statewide 501(c)(3) non-profit organization, that helps families pay their electric and gas bills.

Plus, PSE&G matches all donations dollar for dollar up to \$100,000... making your gift go twice as far!

Use this envelope to send your tax deductible check or money order payable to New Jersey SHARES or donate online at njshares.org
