**Anyone can have a financial crisis.** Unemployment, medical bills, or unexpected expenses can put a family behind in paying their energy bills. For moderate income households who are not eligible for low income programs, New Jersey SHARES is there to help.

**Donate to New Jersey SHARES, a statewide 501(c)(3) non-profit organization, that helps families pay their electric and gas bills.**

**Plus, PSE&G matches all donations dollar for dollar up to \$100,000... making your gift go twice as far!**

Use this envelope to send your tax deductible check or money order payable to New Jersey SHARES or donate online at [njshares.org](http://njshares.org)
