We Are Coming Back to Restore Your Roads.

Thank you again for your patience throughout our important gas system upgrade project. This critical work will help keep your gas service safe and reliable. Read below to learn more about remaining work in your area.

We have completed the gas system upgrades in your neighborhood. Now that the ground has settled, we will restore roads with permanent paving.

Milling and paving activities are scheduled to start in the upcoming weeks, weather permitting. As with any construction project, you will experience changes in traffic patterns, loud noise and the presence of heavy equipment and machinery. Typical work hours are between 7 a.m. and 5 p.m., Monday through Friday, with potential for weekend work. Schedules are estimates, weather dependent, and subject to change. Please abide by all "No Parking" signs as they will be posted 24-48 hours before work is scheduled to begin on each street.

For more information about this project, as well as specific information about your neighborhood, please visit pseg.com/GasWork. To reach a project representative directly, call our dedicated hotline at 1-833-661-6XXX.

As a general reminder, if you smell gas leave the area and call 911 or PSE&G at 1-800-880-PSEG (7734).
