Anyone can have a financial crisis. Unemployment, medical bills, or unexpected expenses can put a family behind in paying their energy bills. For moderate income households who are not eligible for low income programs, SHARES is there to help.

Donate to SHARES, a statewide 501(c)(3) non-profit organization, that helps families pay their electric and gas bills.

Plus, PSE&G matches all donations dollar for dollar up to \$100,000... making your gift go twice as far!

Use this envelope to send your tax deductible check or money order payable to SHARES or donate online at sharesnation.org.
