

NOTICE TO PUBLIC SERVICE ELECTRIC AND GAS COMPANY CUSTOMERS
IN THE MATTER OF THE PETITION OF PUBLIC SERVICE ELECTRIC AND GAS COMPANY FOR APPROVAL OF A ZERO EMISSION CERTIFICATE RECOVERY CHARGE

Notice of a Filing and Notice of Public Hearings | BPU Docket No. EO21101183

PLEASE TAKE NOTICE that, on October 15, 2021, Public Service Electric and Gas Company ("PSE&G" or "Company") filed a petition with the New Jersey Board of Public Utilities ("Board") seeking the Board's approval to refund excess Zero Emissions Certificate Recovery Charge ("ZECRC") collections over a 12-month period commencing January 1, 2022, via the Return of Excess Collections Credit Rate ("RECCR") ("Petition"). These excess collections occurred during Energy Year 2021. The Company is proposing a reduction in the RECCR to adjust the refund of excess collections from Energy Year 2021.

As a result of this adjustment, the proposed RECCR would change from (\$0.000155) per kilowatt-hour ("kWh") (w/o Sales and Use Tax "SUT") to (\$0.000087) per kWh (w/o SUT). Customers' will experience an increase in their bills because the proposed RECCR refund rate is less than the current RECCR refund rate.

Under the Company's proposal, a typical residential electric customer using 740 kWh per summer month, and 6,920 kWh on an annual basis, would see an increase in the annual bill from \$1,324.24 to \$1,324.80, or \$0.56 or approximately 0.04%.

The approximate effect of the proposed changes on typical electric residential monthly bills, if approved by the Board, is illustrated in Table #1 below.

Any rate adjustments with resulting changes in bill impacts found by the Board to be just and reasonable as the result of the Company's filing may be modified and/or allocated by the Board in accordance with the provisions of N.J.S.A. 48:2-21, and for other good and legally sufficient reasons, to any class or classes of customers of the Company. Therefore, the described charges may increase or decrease based upon the Board's decision.

The Company's Petition is available for review online at the PSEG website at <http://www.pseg.com/pseandgfilings>. The Petition is also available to review online through the Board's website, <https://publicaccess.bpu.state.nj.us> where you can search by the above-captioned docket number.
