

# NOTICE TO PUBLIC SERVICE ELECTRIC AND GAS COMPANY/ELECTRIC CUSTOMERS

**In the Matter of the Petition of Public Service Electric and Gas Company for Approval of Electric Rate Adjustments Pursuant to the Energy Strong II Program  
Notice of Filing and Notice of Public Hearings  
Docket No. ER23110784**

**PLEASE TAKE NOTICE** that, on November 1, 2023, Public Service Electric and Gas Company (“Public Service,” “PSE&G,” or “Company”) filed a petition (“Petition”) and supporting documentation with the New Jersey Board of Public Utilities (“Board” or “BPU”) seeking Board approval for cost recovery associated with the extension of the Company’s Energy Strong Program II (“ES II” or “Program”).

On September 11, 2019, the Board issued an Order approving ES II in Docket Nos. EO18060629 and GO18060630 (“Order”). The Order provided approval to invest up to \$842 million, with \$691.5 million recovered through the Energy Strong II Rate Mechanism and \$150.5 million within stipulated base to harden its electric and gas infrastructure to make it less susceptible to damage from wind, flying debris and water damage in anticipation of future major storm events and to strengthen the resiliency of PSE&G’s delivery system. It was anticipated that these investments would be made over a four (4)-year period beginning on the effective date of the Board’s Order, with certain investments anticipated to be made over a five (5)-year period.

By the Petition, PSE&G seeks Board approval to recover an estimated annual revenue increase of approximately \$25.6 million from the Company’s electric customers through the Energy Strong II Rate Mechanism associated with actual ES II investment costs incurred through September 30, 2023, and forecasted costs through January 31, 2024.

For illustrative purposes, the estimated ES II component of Infrastructure Investment Program (“IIP”) charges effective May 1, 2024, including New Jersey Sales and Use Tax (“SUT”) for Residential Rate Schedule RS, is shown in Table #1.

Table #2 provides customers with the approximate impact of the proposed increase in rates relating to ES II, if approved by the Board, effective May 1, 2024. The annual percentage increase applicable to specific customers will vary according to the applicable rate schedule and the level of the customer’s usage.

Under the Company’s proposal, a typical residential electric customer using 740 kWh in a summer month and 577 kWh in an average month (6,920 kWh annually) would see an increase in the average monthly bill from \$117.48 to \$118.38, or \$0.90, or approximately 0.77%. The approximate effect of the proposed increase on typical electric residential monthly bills, if approved by the Board, is illustrated in Table #3 below.

Any rate adjustments with resulting changes in bill impacts found by the Board to be just and reasonable as a result of the Petition may be modified and/or allocated by the Board in accordance with the provisions of N.J.S.A. 48:2-21 and for other good and legally sufficient reasons to any class or classes of customers of the Company. Therefore, the described charges may increase or decrease based upon the Board’s decision. PSE&G’s electric costs addressed in the Petition and subsequent updates will remain subject to audit by the Board, and Board approval shall not preclude or prohibit the Board from taking any such actions deemed appropriate as a result of any such audit.

A copy of this Notice of Filing and Public Hearings on the Petition is being served upon the clerk, executive or administrator of each municipality and county within the Company’s service territory. The Petition is available for review online at the PSEG website at <http://www.pseg.com/pseandgfilings> and has also been sent to the New Jersey Division of Rate Counsel (“Rate Counsel”), who will represent the interests of all PSE&G customers in this proceeding. The Petition is also available to review online through the Board’s website, <https://publicaccess.bpu.state.nj.us>, where you can search by the above-captioned docket number. The Petition and Board file may also be reviewed at the Board located at 44 South Clinton Avenue, 1st Floor, Trenton, NJ, with an appointment. To make an appointment, please call (609) 913-6298.

**PLEASE TAKE FURTHER NOTICE** that due to the COVID-19 pandemic, virtual public hearings are scheduled on the following date and times so that members of the public may present their views on the Petition.
