AND GAS COMPANY ELECTRIC CUSTOMERS**

**IN THE MATTER OF THE PETITION OF PUBLIC SERVICE ELECTRIC AND GAS COMPANY FOR APPROVAL
OF A CHANGE IN ITS ELECTRIC
NON-UTILITY GENERATION CHARGE RATE**

BPU Docket No. ER19040523

**Notice of a Filing
And
Notice of Public Hearings**

TAKE NOTICE that, Public Service Electric and Gas Company (“Public Service”, “the Company”) filed a Petition with the New Jersey Board of Public Utilities (“Board”, “BPU”) in April 2019 requesting a resetting of the Company’s Electric Non-utility Generation Charge (“NGC”). If approved, this filing would increase rates to be paid by the Company’s electric customers by \$8.93 million annually. These changes are the result of adjustments in the electric NGC (which recovers Non-utility Generation above market costs). The proposed electric NGC charge, if approved by the Board, is shown in Table # 1.

The approximate effect of the proposed increase on typical electric residential monthly bills, if approved by the Board, is illustrated in Table # 2.

Based on the filing, a typical residential electric customer using 740 kilowatt-hours per summer month and 6,920 kilowatt-hours on an annual basis would see an increase in the annual bill from \$1,258.84 to \$1,260.40, or \$1.56 or approximately 0.12%.

Any rate adjustments with resulting changes in bill impacts found by the Board to be just and reasonable as the result of the Company’s filing may be modified and/ or allocated by the Board in accordance with the

provisions of N.J.S.A 48:2-21 and for other good and legally sufficient reasons to any class or classes of customers of the Company. Therefore, the described charges may increase or decrease based upon the Board’s decision.

Copies of the Company’s filing are available for review at the Company’s Customer Service Centers (addresses located here: <https://nj.pseg.com/customerservice/locations>), online at the PSEG website at <http://www.pseg.com/pseandgfiling>, and at the Board of Public Utilities at 44 South Clinton Avenue, 2nd Floor, Trenton, New Jersey 08625-0350. Any member of the public who wants to inspect the petition at the Board may contact the Board’s Division of Case Management at (609) 292-0806 to schedule an appointment.

The following dates, times and locations for public hearings have been scheduled on the Company’s filing so that members of the public may present their views. Information provided at the public hearings will become part of the record of this case and will be considered by the Board in making its decision.
