Instructions for the PSE&G Residential Application for Gas Service

The Residential Application Form must be filled out completely in order to avoid delays in providing service.

Residential gas load data sheet to be used for new service / changes to gas load for Single Family or Multi Family (Up To Three Residential Units, Plus House Meter).

Use the Commercial form for adding new service /changes to Multi-Unit (4+) Residential Customers.

Please call Construction Inquiry Department when requesting
Relocations with no changes in load or upgrade (required information: BTU input for entire building).

When completing an application for generators and/or tankless water heaters,
specification sheets are essential, especially when fuel pressure requires a minimum of 7” water column or higher.
Please specify make, model of equipment, and pressure requirement.

Site plans are required for gas layout to begin when no foundation at the site.
Plans must be full size and to scale; include footprint of building and show at least one cross street.
Site plans may be mailed to the appropriate address below.

For Construction Inquiry purposes,
PSE&G service territory is divided into Northern & Southern Counties.
