

PROGRAMS THAT CAN HELP YOU PAY YOUR BILL

Low Income Home Energy Assistance Program (LIHEAP) Applications now available – until April 30, 2018.

LIHEAP helps income-eligible households with an average of \$300 towards their winter heating bills. To qualify, you must meet the income requirements below; you do not have to be behind in paying your PSE&G bill.

LIHEAP households can also be eligible for the **Universal Service Fund (USF)**. Households applying for LIHEAP will also be applying for USF since one application serves both programs. For USF income requirements, visit pseg.com/help.

To find a state-designated LIHEAP/USF agency in your county, call 1-800-510-3102 (7 days a week, 9 am - 9 pm); visit your local PSE&G customer service center, or visit pseg.com/help.
