A financial crisis can happen to anyone. Unexpected costs from medical bills or job loss can put families behind with their electric and gas bills. Your warm heart can help your neighbors heat their home until they can get back on their feet.

Donate to NJ SHARES, a statewide non-profit, that helps families in your community pay their winter heating costs.

**Every dollar you donate goes directly to help. Plus, PSE&G matches all donations dollar for dollar up to \$100,000 making your gift twice as nice!**

Donate online at [njshares.org](http://njshares.org) *or* send your tax deductible check or money order payable to NJ SHARES at:
