

PSEG Nuclear, LLC
ZEC Application – Salem 1
Docket No:

Response to Application Request: SI-SSA-0011
Date: 12/19/2018

Question:

Updated version of the data specific to the Unit and facility provided to the Nuclear Energy Institute (“NEI”) when responding to their latest survey.

Attachments Provided Herewith: Yes - CONFIDENTIAL

Response:

Please see the attached confidential document that includes downloads from the Electric Utility Cost Group (“EUCG”) website as well as a reconciliation tying our submittal to our accounting system. Salem data is entered into the EUCG database for both units at the site, not by individual unit. EUCG data is provided to NEI for their analysis.
