

PSEG Nuclear, LLC
ZEC Application – Salem 1
Docket No:

Response to Application Request: SI-SSA-0022
Date: 12/19/2018

Question:

A detailed projection of energy resources that would supplement the lost capacity in PJM if the Unit were to shut down.

Attachments Provided Herewith: Yes - CONFIDENTIAL

Response:

The attachment provides PA Consulting's projections of thermal and renewable resource additions for 2018 to 2022 in PJM. This was utilized in the analysis completed in response to Question SII-SSA-24.

PJM Base Residual Auction (BRA) Reports provided in response to Question III-ZECJFIN – 0007 also include details of new capacity that has cleared in 2019-21 BRA auctions in PJM.
